

MUSTANG FUND CLASS CAPTAIN VOLUNTEERS

Class Captains serve as mentors to other HC families on behalf of the Mustang Fund. Each Class Captain is assigned to 10 to 15 families in their grade level. They help to provide their families with information about Mustang Fund programs and events and encourage them to make a contribution to the Mustang Fund.

Class Captains are very important to the success of the Mustang Fund because they provide one-on-one communication to every HCHS family and share the importance of participation. For more information about serving as a Mustang Fund Class Captain volunteer, contact the HC Development Office at 713-547-4368.
